

SS2018
product catalogue

We bring a fresh approach to design incorporating modern technology into everyday objects. Sometimes life can be complicated and technology too intrusive. Therefore by keeping our product lines simple yet engaging and keeping our products up to date with technology, as well as being aesthetically pleasing has kept us driven, and the reason why our products have been so popular and successful around the world.

DESIGN, QUALITY & TIME are our design ethos when every Gingko object is born. We give every item an ultimate stylish look in a minimalist design, craft it with our passion and love in our best standard of quality, and design it to last when time goes by or fashion changes.

We thrive on seeking and creating the out of the ordinary, which enforces the foundation of our ethos, escape the boring: design for a better and smarter life.

Octagon One

Rechargeable Desk Light

NEW

The Octagon One desk lamp combines the best of simple and natural effect finish to achieve its modern industrial aesthetic. The focal point of the design is a beautifully shaped Octagon wood/marble finish base with touch control button and in-built rechargeable battery which makes it to be a totally wireless desk lamp and allows it to be positioned at three different angles. Mounted in the base is a milled aluminium casing but in wood finish which contains 36 high quality LED light bead with light diffusing cover.

Octagon One is a purposeful yet organic design, as well as a warm addition to any desk or office space.

Octagon One

Rechargeable Desk Light

- LED source: 3528(0.1W)*36pcs
- LED life-span: about 50000hrs

Smart Booklight

NEW

The Gingko smart book light is definitely a great additional piece of art to any home; when closed, this smart Book Light masquerades a laser-cut wooden book, but when opened it transforms into a sculptural light emitting a wonderful ambient white soft LED light through the pages.

The beautiful, exquisite design opens to full 360 degrees with cleverly concealed magnets and the lovely soft touch papers are tear-proof and water-resistant that are lightened up by long-lasting LED lights. Inside the laser-cut wood cover lies an interior lamp body made from durable, water-resistant Tyvek "pages" containing high-performing LEDs.

The dynamic, multifunctional light can be opened to 360 degrees and comes with a micro-USB charger. It is assembled by hand and has a battery life of up to eight hours.

- LED life-span: about 50000hrs
- colour temperature: 2700K for warm light version and 4500K for cool white light version
- output: 400 lumen
- power supply: in built rechargeable Lithium Polymer
- battery life: 6-8 hours in constant use

- charging time: 4 - 5 hours
- can be opened up to 360 degrees
- magnetic covers so it can be attached to any metal object on the wall etc
- product Material: maple wood and water-resistant Tyvek paper
- **standard version size: 170 x 215 x 25 mm**
- **mini version size: 90 x 122 x 25 mm**
