ABOUT PRINT CLUB LONDON

AN ONLINE GALLERY AT THE VANGUARD OF VIBRANT EAST LONDON CREATIVITY.

Print Club London was established in 2007 and is run by Managing Director Fred Higginson (Sculptor / Illustrator) and Director Kate Higginson. The duo work closely with illustrator and Creative Director Rose Stallard, who brings the Print Club brand to life with her inimitable typographic style.

Print Club's East London hub comprises a large open screen printing studio, artists' studios, exhibition space, and serves as the HQ for their online gallery, selling limited edition screen prints.

Working with their incredible pool of contemporary artists, Luckies are proud to bring you a range of unique 'Artist's Edition' products.

OUR COLLABORATION WITH PRINT CLUB INCLUDES AN ARTIST'S EDITION MAP, JIGSAW PUZZLES AND A HOME SCREEN PRINTING KIT.

SCREEN PRINTING KIT

This kit and step-by-step guide has been developed by Luckies with Print Club London so that anyone can design their own t-shirts, tea towels, bags and banners, whether or not they've printed before. Our reusable templates and waterbased inks mean no nasty chemicals or single use screens. Just print, rinse and repeat. All you need is water, tape and some fresh ideas.

LUCILLE CLERC

London, Paris, Brussels

Lucille is a French illustrator based in London. She set up her studio after graduating from Central Saint Martins and works mainly in editorial design for international brands, museums and publishers. Much of Lucille's personal work is inspired by the architecture of London and Paris and is regularly exhibited in shows across Europe.

We've selected two of Lucille's pieces for our jigsaws, *Barbican Conservatory* and *London, Paris, Brussels*. Two great examples of how her work explores the relationship between nature and urbanisation.

Her focus is primarily on cityscapes, landscapes, botanicals and animals and her clients include the Victoria & Albert Museum, Coast Magazine, Liberty London, and Farrow & Ball. We've chosen Clare's *Around and About London* and *Sunset, Sunrise London* to create two unique and challenging jigsaws.

DAVE BUONAGUIDI

Be Big

Dave has spent over 30 years in advertising. He created the iconic 'Make Tea Not War' print for the anti-Iraq War March in 2003 which is now part of the permanent collection at the Victoria & Albert Museum. While on hiatus in 2015 Dave took up screen printing and has since made a name for himself printing bold type onto objects he sources himself.

Be Big, one of Dave's biggest, boldest and most popular prints has made it onto our jigsaws, as has Let's Go Get Lost Together, originally printed on a vintage map of New York City.
