

Shupatto®

Compact Bag

■What's Shupatto?

It is an award-winning reusable shopping bag brand designed in Japan. The innovative patented "ONE-PULL" foldable system is one and only and carrying and holding a shopping bag has never been so easy!

It is cleverly designed with accordion pleats enabling the bag to expand into a big and roomy piece while instantly closing flat by just pulling both ends of the bag. Simply roll it up to take on-the-go. It makes you feel good to use every day because it's environmentally friendly and stylish at the same time!

■How to Fold

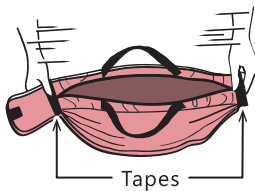

For Shupatto S, M, L

Folds down in a second!

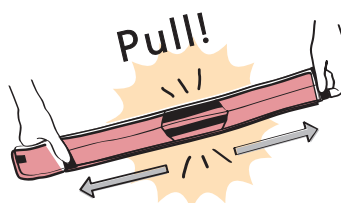

① Take items out of the bag

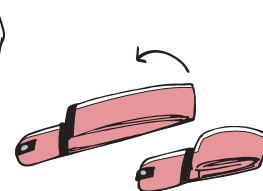

② Hold the tapes of both ends and ...

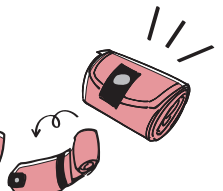

③

④ Fold into half twice

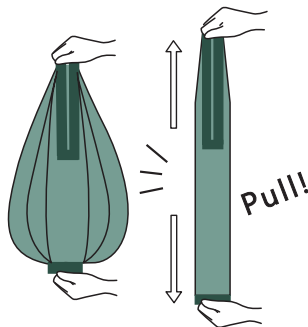

⑤ Roll it up to close the bottom

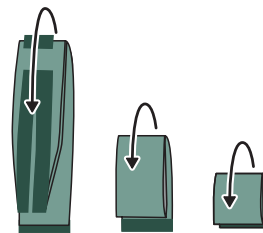

For Shupatto Drop

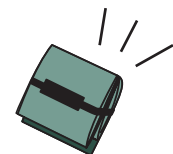

① Hold the top and the bottom of the bag and pull them at the same time

② Fold in half and half again

③ Wrap the band around to hold it closed

■Caution for use

- Do not hang this bag too long, with heavy objects in.
- This bag can be damaged when dragged and with sharp objects in.
- Some color loss on this bag may be caused when it has just begun to be used and when contacting with wet objects.
- Use this bag only for its designed purpose.

■Care instruction

- Fold this bag down immediately after being used.
- When the pleats of this bag are not folded down well, place it flat after shaping as shown in *1 and leave it as is for a while. (More time goes by, easier to fold it down.)
- Machine washable (Max. temp: 40 degrees C).
- Do not use chlorine bleach, fabric softener, a dryer and an electric iron on this bag. Also, avoid soak washing.
- After finished washing, place it flat after shaping as shown in *2 and dry it in the airy shade.
